**Subject:** Fill and Dump Testing Results (Mt. Olive, Illinois)

Hi all,

Could we have a call soon with R5 and ORD staff to discuss 'fill and dump' testing problems for Mt. Olive, IL and Peotone, IL? Mt. Olive has been unable to stabilize the lead concentrations at a low enough concentration to switch the testing to the new source water.

Illinois EPA has availability on (all times central):

4/6 – 1pm

4/8 – 1 pm

4/12 - 9 am, 11 am

4/13 – 11 am, 1 pm

4/14 – 1 pm, 3 pm

4/15 – 10 am, 11 am, 1 pm

We would prefer the first available for 1 hour.

David Cook, P.E.
